

Smile Back On My Face

Music and Lyrics by Carole and Ron Ciancioso

VERSE 1

I have always known that it was you and me forever
There is really nothing I would change
Cause, I can hear the music every time that we're together
I'm hoping that you're feelin' the same way.
My life had lost its song...
But then you came along
Now everything is falling into place
I can't believe you're mine
You know you really shine
You have put the smile back on my face

VERSE 2

You've been by my side through so many lows and highs. And somehow you still
love me anyway
You're the one I turn to when I need my best friend
To put a little sunshine in my day
My world was upside down
You turned it back around
You know that you're my saving grace
I'm thanking you today
For bringing love my way
You have put the smile back on my face

BRIDGE

It's a miracle how you came to me
When I thought my life was through
I can't believe this change in me
And it's all because of you,
Yeah it's all because of you.

VERSE 3

Love had let me down. But the one thing that I found,
You took all the hurting away
You knew how to do it yeah you helped me get through it
And somehow you knew just what to say
You've got that magic touch
And I can't get enough
You filled up my heart's empty space.
I couldn't love you more
I've never been so sure
You have put the smile back on my face

REPEAT CHORUS
