Let's Go To Toyland

Music and Lyrics by Carole and Ron Cincioso

Take a ride with Santa
He's on his way to toyland
Hitch a moonlit ride on his sleigh
And if you've been good this year
You can whisper in his ear
What you're wishing for
All you want and so much more

CHORUS

Toyland, toyland
We are on our way
To toyland, toyland
Hop on Santa's sleigh
Let's go to toyland

VERSE 2

Xmas music playing
It's joyful here in toyland
And the twinkling lights are all aglow
Now there's no time to spare
Little children everywhere
Are waiting for their toys
Get ready now girls and boys

REPEAT CHORUS

(repeat chorus)

BRIDGE

Flyin' though the sky with Santa
On this starry night
Our next stop is toyland so
Hold on hold on tight
Rudolph's taking flight

VERSE 3

Santa's elves are busy
They're working hard in toyland
Wrapping up the gifts all night and day
A swingset and a big red ball
Bicycles and elmo dolls
Dreams will all come true
Merry Xmas from toyland to you

REPEAT CHORUS

(repeat chorus)
