

Don't Be Blue (This Xmas)

By Ron Ciancioso and Michael Varela

I'm leaving for Xmas
I know you don't want me to go
But I'll build you a snowman
You know I'll tell him to watch over you so

CHORUS

Don't be blue
Don't be blue
Don't be blue this Xmas
I'm sure gonna miss you
I know you don't want me to go but
I'm leavin' you kisses underneath the missletoe

REPEAT CHORUS

(repeat chorus)

BRIDGE

Oh my darling merry Xmas
I'm growing lonesome as the season nears
All my presents are left unopened
And my stockings are filled with tears, filled with tears, filled with tears
If I had one wish for Xmas
I would spend the season with you
My heart would light up like a Xmas tree
And all my season's dreams would come true so
Chorus repeats
