

Be My Rock

Music by Carole Ciancioso and Marc Loren Lyrics by Carole and Ron Ciancioso

VERSE 1

Be my rock
My almighty one
Lead me to the light
When the darkness comes
Be the one
Who rescues me
When I'm losing hope
And I'm lost at sea
When I walk
Up against the wind
Will you shelter me?
Will you be my friend?
When I can't go on, and I feel so weak help me lord so I can believe

CHORUS

Be my rock
Be there for me
Give me strength when I'm in need
Be my rock
Through eternity
Always strong when I can't be

VERSE 2

Lead me back
When I go astray
Be at my side
When I kneel to pray
Comfort me
When I feel so low
When I do wrong
Lord cleanse my soul
Keep me warm
When there is no sun
Open heaven's door
When my life is done
Be the candle in my darkest hour
Be my fortress, my shining tower

REPEAT CHORUS

(repeat chorus)

BRIDGE

Tell me father
How to serve you
Take me by the hand
I will always sing your praises
I am born again

INSTRUMENTAL

Chorus with variations
