It's Not Easy

Music by Marc Loren and Ron Ciancioso Lyrics by Carole and Ron Ciancioso

VERSE 1

Hey girl, how can I reach you?
Didn't anybody teach you that love is no joke now?
You said, all of the right things
Then you left me with nothing,
But a heart that's broke now

CHORUS 1

It's not easy here without you
I can't pretend that I'm okay
If you were here right now,
I'd never let you go... it's not easy,
When you love someone this way

VERSE 2

Tell me, how we gonna get there?
When you gonna play fair and give me
All of your love now?
You know, I don't want to let go
So come on back to me girl,
I'm waiting here for you now

CHORUS 2

It's not easy here without you
I'm standing out here in the cold
If you were here right now,
I'd never let you go... it's not easy,
When you got no one to hold

BRIDGE

Well I'm tryin'
Tryin' to forget you
Never should have let you get away
And I'm hopin'
Hopin' that you'll hear me
Just turn yourself around
And stay... turn around and stay

INSTRUMENTAL

(Instrumental break)

REPEAT CHORUS 1

It's not easy here without you
I can't pretend that I'm okay
If you were here right now,
I'd never let you go...it's not easy,
When you love someone this way
