Mama's Here

Music and Lyrics by Carole Ciancioso

VERSE 1

Sleepy little boy
Rest your head on me
Mama's pride and joy
Precious as can be
Close your eyes sleepy-head
The sandman's comin' soon
You are safe and sound tonight
I am watching over you

CHORUS

Mama's here
With you tonight
Mama's here
Sleep tight sleep tight
I'll be here all through the night
Mama's here with you

VERSE 2

Rest now little one
You've had a busy day
Gone now is the sun
Tomorrow you can play
All the world is calm and still
The moon is beaming bright
Sleep now darlin' peacefully
Sweet dreams to you tonight

REPEAT CHORUS

(repeat chorus)

BRIDGE

One more lullaby
For you and teddy bear
Hush now darlin' don't you cry
I'm not goin' anywhere (three times)

INSTRUMENTAL

Return to second part of first verse
Close your eyes sleepy head
The sandman's comin' 'soon
You are safe and sound tonight
Mama's watching over you

REPEAT CHORUS (TWICE)

(repeat chorus (twice))
