

Our First Christmas (As Mr. And Mrs.)

Music and Lyrics by Carole Cincioso

VERSE 1

Christmas time is here again you can smell the pine in the air
The spirit of giving is all around and love is everywhere
For you and me it's a special time
We were just joined as one
So, let's make this an unforgettable Christmas celebration

CHORUS

It's our first Christmas as Mr. and Mrs.
It's our first Christmas as man and wife
This is a Christmas we'll remember all the days of our lives

VERSE 2

Snow is falling on the ground and the lights are shining so bright
It feels so good to cuddle up with you, this country Christmas night
It's the perfect night for stayin' home with the one you love the most
So, let's ring in the holiday with our very first Christmas toast

REPEAT CHORUS

(repeat chorus)

BRIDGE

The lights on the tree look brighter this year
And there's even more magic in the air
And it feels so good to know
Yeah it feels so good to know
We'll have so many Christmases to share (oh yeah)

INSTRUMENTAL

(Instrumental break)

VERSE 3

All the shopping has been done and the gifts are under the tree
But the very best gift that I could have is havin' you right here with me
Let's remember the marriage vows we made just a short time ago
Let's celebrate with a Christmas kiss under the mistletoe

CHORUS VARIATION

It's our first Christmas as Mr. and Mrs.

It's our first Christmas as man and wife

It's our first Christmas as Mr. and Mrs.

This is a Christmas we'll remember all the days of our lives
