

# Mama Didn't Raise No Fool

Music and Lyrics by Carole and Ron Ciancioso

## VERSE 1

You tell me that you love me  
You tell me that you care  
It doesn't even matter  
Cause none of it was fair  
You're trying to confuse me  
The fastest way to lose me  
You never stick to your rules  
So what you're doin' ain't cool

## CHORUS

I can see through all your lies that's nothing new  
One thing you should know before I go is...  
Mama didn't raise no fool

## VERSE 2

You thought I wouldn't find out  
As you made up all your lies  
You tried to take advantage  
But mama raised me to be wise  
Mama wasn't joking  
Mama always knew  
She said this day was coming  
And now it's all come true

## CHORUS

I can see through all your lies that's nothing new  
One thing you should know before I go is...  
Mama didn't raise no fool
