

Mess Around

Music and Lyrics by Carole and Ron Ciancioso

It's been too long
Been so many days
I wanna spend some time with you
I just can't keep away
Take a long walk with me
Make some small talk with me
Maybe play mo-nopoly
And then we'll mess around --yeah then we'll mess
Around

VERSE 2

Ain't playin' no more games
I promise that I've changed
Let's light that fire
Give in to our desire
Take a long walk with me
Make some small talk with me
Maybe watch some TV
And then we'll mess around --yeah then we'll mess
Around
Well I can't find the words
But what I'm really tryin to say
If the vibe is right
Then maybe I should stay
Take a long walk with me
Make some small talk with me
Maybe hangout by the sea
And then we'll mess around

BRIDGE

Well im hopin and a prayin
That this time ill be stayin
There's still some fire in our hearts
We'll have some..... Barbecue
And some..... Ice cold brew
This is when the good time starts
Well I don't know how
And I don't know when
There aint no reason or ryhme
Well our love is broke
And this aint no joke
Feels like this is our time
Take a long walk with me
Make some small talk wth me
Maybe talk about our dreams
And then we'll mess around --yeah then we'll mess
Around
So we can mess around --yeah we can mess
Around
