

# Kalamazoo

Music and Lyrics by Carole and Ron Ciancioso

## VERSE 1

When everyone has left the room  
And all you hear is this tune  
A tale of a trail that leads you to  
A place called kalamazoo

## VERSE 2

Maggie magill left her heart on call  
Because she lost her will  
A broken bond that once stood tall  
She needed a place to chill

## CHORUS

Kalamazooo kalamazoo  
Whats the matter maggie ?  
Whats up betty blue?  
Kalamazooo kalamazoo  
You packed your things  
And headed north to .....an icy kalamazoo

## VERSE 3

Now all she does is watch TV  
All alone in her room  
Very few words she has to say  
Now that she's lost the moon

## VERSE 4

And so she took her gibson guitar  
And fled with betty blue  
To the place where it was born  
She headed to kalamazoo  
Kalamazooo kalamazoo  
Whats the matter maggie ?  
Whats up betty blue?  
Kalamazooo kalamazoo  
You packed your things  
And headed north to .....an icy kalamazoo
