Left his girl at the alter
Didn't hear the alarm

When he got to the church it was too late
Everyone was gone
My bad
My bad
Uh-huh

But its alright yeah it's ok
After all tomorrow's another day
Oh well, my bad
My bad
My bad (repeats twice)

VERSE 2

Drove his car through the walmart
Fell asleep at the wheel

When he woke up he started thinking this ain't no big deal
He said my bad
My bad
Uh-huh

Scuz' me ma'am
I'm so sorry
I didn't realize
It don't matter what you say or do, as long as you apologize

VERSE 3

He was an innocent man but they locked him away
Away for a long long time
They said my bad
My bad

'Cause they found out one day, his DNA wasn't at the scene of the crime
And they said my bad
My bad
Uh-huh
