

Dancin' On Ice

VERSE 1

Boots on the porch
 Snow in your hair
 So take my hand
 Feel the chill in the air
 Red scarf & mittens
 Cheeks bright pink
 Can't wait to get
 To the skating rink

PRE-CHORUS

Spin me slow
 Hold me tight
 Moonlit Sky
 Oh so bright
 Christmas lights...
 fill the trees
 There's nowhere else
 I'd rather be

CHORUS

Dancin' on ice
 Dancin' on ice
 Spin me around
 Dancin' on ice
 Hey On Ice
 Dancin' on ice
 Hold me close now
 Dancin' on ice

VERSE 2

Tinsel shines
 On the rail.
 Your laugh cuts right through the
 winter hail
 Hands so cold I can
 Feel them freeze
 As you spin me
 'Round with ease

PRE-CHORUS

Spin me slow
 Hold me tight
 Moon on the driveway
 Silver-white
 Don't let go
 I'm right here
 Hearts go skatin'
 Through the air

CHORUS

Dancin' on ice
 Dancin' on ice
 Spin me around
 Dancin' on ice
 Dancin' on ice
 Dancin' on ice
 Hold me close now
 Dancin' on ice
 Oh oh oh oh

BRIDGE

If we fall well,
 Then we'll laugh like
 So many times in
 Christmases past
 One more spin
 Then you and me
 Right back where we
 Wanna be...yeah...dancin' on Ice

FINAL CHORUS

Dancin' on ice
 Spin me around
 Dancin' on ice
 Yeah on ice
 Dancin' on ice
 Hold me close now
 Dancin' on ice
 Oh oh oh
 Oh oh oh
 Oh oh oh
